## What Is Endorsement?

### RELATIONSHIP FOCUSED

Endorsement is a culturally sensitive, relationship focused framework that promotes healthy relationships. Endorsement recognizes you for your education, training, leaderships roles, and work experiences within the infant and family field.

## Who Should Consider Endorsement?

### YOU!

The infant and toddler mental health workforce encompasses all those who care for or nurture infants and toddlers. Any one dedicated to relationship-focused work on behalf of WV children and families are encouraged to seek Endorsement.

## What's In It For Me?

### RECOGNITION AND SUPPORT

Endorsement offers individuals supporting infants, toddlers, and their families professional development opportunities that focus on knowledge, best practice skills, and reflective work experiences, leading to increased confidence and credibility.

## Are People Endorsed in WV?

### YES, ALL AROUND OUR STATE

Many professionals around our state have recognized the benefits of becoming Endorsed. These individuals are in different disciplines. We have Endorsed policy makers, direct service providers, child care providers, and more.

## How Do I Get Started?

### TAKE THE FIRST STEP
