Education Begins at Home

Rising Star Home Visitor

Cindy Watkins has been a home visitor for 25 years - she has a heart for helping families! Cindy is a wealth of information for other home visitors, and enjoys attending trainings and workshops to further her knowledge to help the families and communities she serves.

Happy Birthday

To Natalie Burtlely, Jennifer Adkins, Monica Ballard-Booth, Cheyanne Cooper, Susie Davis, Janna Gordon, Nicole Hopkins, and Angie Davis this quarter! We hope it's as wonderful as you are.

Partners in Community Outreach is a coalition of home visiting programs throughout West Virginia. Our mission is to support and build the capacity and influence of evidence-based In-Home Family Education, which in turn improves the health and well-being of our young children and their families.
