Circle of Parents Groups in West Virginia

Circle of Parents is a national network of parent-led groups, where parents and caregivers share ideas, celebrate successes and address the challenges surrounding parenting. TEAM for WV Children launched Circle of Parents in West Virginia in September 2012 by training facilitators from five organizations. The network has grown to 29 sponsoring organizations and has trained more than 100 facilitators and parent leaders, thanks to funding from the Claude Worthington Benedum Foundation and WV Department of Health and Human Resources.
